BEFORE

AFTER

**DY'S LIQUID BANDAGE™** is an all-natural healing herbal salve. Olive oil and beeswax have been combined to create the base. This allows the olive oil to carry the healing herbs deep into the wound to promote healing from the inside out, minimizing the occurrence of scar tissue. The beeswax covers the wound with a breathable, waterproof, flexible and protective coating that repels flies.

“An old herbal formula brought back to life for a horse named Dynamite.”
